Dear Club Officers,

I congratulate you on your installation as a club officer for 2023-24.

You have been handed the reins of leadership at a historic moment. In the wake of the COVID-19 pandemic, more people than ever feel hopeless. Many have lost people close to them. Social networks have been uprooted and divisions have grown wider as opportunities for connection have been lost.

Rotary's ability to create lasting change begins with the bonds we form with each other. This year, I need your help to ensure the bonds between our fellow Rotary members are strong enough to bring hope to those who need it most.

Join me in making Rotary a source of strength for all of those, both within and beyond our membership, who feel they have lost hope. Let this be the year we Create Hope in the World, and let Rotary be known as an organisation that takes care of its members as well as the people we serve.

It is within your power to help bring peace and soothe those afflicted by conflict, both in their communities and in themselves.

I look forward to working beside you as we come together to Create Hope in the World.

Warmest Regards,

Dem

Dear Rotary Members,

I want to extend my warmest congratulations to the newly installed Board of Directors, as well as express my deep appreciation to the outgoing board for their exceptional contributions during their term. Together, we have "Imagined Rotary" and I am excited to embark on a new Rotary year filled with hope and optimism for what lies ahead.

This year's theme, "Create Hope in the World," offers a unique opportunity for all Rotarians to make a meaningful difference both within Rotary and beyond. I believe that respect for each other and collaboration are the keys to achieving our shared goals, regardless of our positions within Rotary or the community. By building strong relationships among our members and planning activities with their engagement in mind, we can work together towards a common purpose.

In addition, our district will focus on environmental sustainability and mental health this year. As Rotarians, we have a responsibility to protect the environment and promote mental wellness in our communities. These efforts are not only important but also essential for the long-term health and well-being of our planet and its inhabitants.

I look forward to working with all of you over the coming year. My wife Wee Ping and I wish all members of your club the very best as we strive to Create Hope in the World through our actions and service. Let us come together with respect and a spirit of togetherness, and make a positive impact on the world.

Thank you.

Congratulations to the Rotary Club of Kuching Central—the largest club in East Malaysia—for being amongst the top 9% of Rotary clubs in District 3310 to win the 2022-23 Governor's Citation Gold Award. A big thank you to Imagine Rotary 2022-23 Club President Michael Kuan and your Board of Directors, without your unswerving commitment and support, we could not have achieved so much.

I want to thank you for your dedication to new member attraction and engagement, and member retention, new club development with the sponsorship of a new club, Rotary Club of Urban Kuching, your generous giving to The Rotary Foundation, strong support for the Rotary District 3310 PolioPlus Society with 10 charter members from your Club, enhancing Rotary's public image, and your efforts in improving the lives of people in our communities and around the world through humanitarian service projects, including hosting the 32nd Pan Borneo Meet and the "Reusable Diaper Packs" Joint Club Project successfully.

Thank you too, for sending the largest number of delegates to the 32nd Rotary District 3310 Conference in Phuket during 12-14 May 2023. I am happy to see the active participation of your club members, their partners, and family members at both the District Conference as well as the 2023 Rotary International Convention in Melbourne. These are events where we connect with old, current, and new friends, learn from one another, and create new opportunities for future collaborations.

In Rotary Year 2022-23, Rotary International President Jennifer Jones has called on us to dream big and think of ways that Rotary can touch the imagination of the whole world. Thank you for being open to innovative ideas and expanding your horizons. You have challenged previously held beliefs and have continued to build on our shared vision of shaping a better world.

The 2023-24 Rotary International Presidential Theme is Create Hope in the World. In the new Rotary Year, under 2023-24 District Governor Dr. John Chan's leadership, we will create hope — help the victims of destructive conflicts, heal those afflicted by the worldwide mental health crisis, and create lasting change for ourselves and the communities we serve.

Let us continue to work together to offer our Time, Talent, and Treasure, and Do Good in the World. Thank you very much to one and all once again for a fabulous Rotary Year 2022-23!

MICHAEL KUAN

As my tenure as the 37th President of our esteemed club comes to an end, I am filled with immense gratitude and a sense of accomplishment. It has been an incredible journey, marked by dedication, unity, and the unwavering support of our board of directors, committee chairs, and the entire membership. With deep appreciation, I would like to take this opportunity to express my heartfelt thanks to each and every one of you.

Over the past year, we have embarked on numerous projects and initiatives that have made a lasting impact on our community. In 2022, we have sponsored the Rotary Club of Urban Kuching which was chartered by PDG Andre Suharto together with his vibrant team of members. We have accomplished many community projects such as Gift of Sight where over 300 cataract surgeries were performed, Clothes of Love, SOS Milk Powder project, charity sales, and many more.

RCKC was also involved in several joint club projects, working with the rest of the Kuching Rotary clubs, such as the beach cleaning project and Rotary Charity Run OC-ed by our PP Dato Thomas Ngu - who successfully raised more than RM100K for our club project funds. Our club is also honoured to play host for the 32nd Pan Borneo Meet led by IPP Andrea Chan. It was a well-organized conference where people all over the district came to attend and had a great time.

Huge appreciation to our fellowship committee led by Rotarian Pauline Pui, who organised numerous social and fellowship events to foster the closeness among our club members and families. Such enhanced bonding was strongly evident during service projects where spouses and family members turned up to show their support.

In areas of vocational service, I wish to say thank you to PP Frankie Yang for organising many informative talks for our club members. For youth service, I would like to express my gratitude to our youth chair PP Jong who has worked tirelessly in keeping our Interact and Rotaract clubs active throughout the year, achieving many Best Interact Project awards.

In the Rotary Foundation, I am extremely proud to see our club accomplishing and being recognised as one of the top contributing clubs in District 3310 - whereby a number of our members were awarded as Major Donors, Paul Harris Society & Paul Harris Fellowship Upgrades and some were even chartered as members of the new Polio Plus Society.

As I reflect on the past year, I am filled with pride and gratitude for the many accomplishments we have achieved as a club. We have received numerous awards such as the 2022-23 Governor Gold Citation award, District Public Image Gold Award, Rotaract

Best Community Project Gold Award (Credit to RAC Swinburne). We also witnessed members receiving the Rotary International Avenue Service in community (IPP Andrea Chan) and Club Service (Rotarian Pauline Pui).

However, my deepest gratitude extends beyond the board of directors and committee chairs. It is the collective strength, unity, and unwavering support of our entire club that has made the past year a resounding success. Each member has contributed in their own unique way, be it through volunteer work, attending meetings, or supporting our events. Your enthusiasm and dedication have inspired me every step of the way. Together, we have truly embodied the spirit of Rotary and worked towards creating a better world for all.

As I pass on the torch to the incoming President Calvin Chong, I am confident that our club will continue to thrive and build upon the foundation we have laid. Together, we have proven that when we unite with a common purpose, we can achieve remarkable feats. The legacy we leave behind is one of compassion, service, and making a positive impact on the world.

In conclusion, I would like to express my deepest gratitude to my Secretary Amy Wong, who has been wonderful and supportive throughout my presidency, my Sergeant-At-Arms Lance Vun, board of directors, committee chairs, and every member of the Rotary Club of Kuching Central. Your support, dedication, and unwavering commitment have made my term as President an unforgettable experience. I am immensely proud to have served alongside each one of you. Together, we have embraced the true essence of Rotary and showcased the power of collective action.

As we continue to uphold the Rotary's motto of "Service Above Self," let us remember that our work is not done. Let us continue to be the change-makers, the champions of goodwill, and the catalysts for positive change. Together, we can create a brighter future for our community and the world.

Thank you once again for the privilege of serving as your President.

Dear fellow Rotarians, Distinguished guests, Friends of Rotary,

I extend my warmest greetings to all of you as the President of the Rotary Club of Kuching Central. Today, we gather here to mark a momentous occasion—the 38th Installation Ceremony, a celebration of our club's rich legacy and an opportunity to look forward to the possibilities that lie ahead. This year, our Rotary theme, "Create Hope in the World," encapsulates the very essence of our purpose.

In a world often fraught with challenges, it is our duty as Rotarians to be beacons of hope, illuminating the path towards a brighter future. Through our collective efforts, we have the power to make a lasting impact, to uplift communities, and to inspire positive change. It is this shared commitment to service and fellowship that unites us as members of the Rotary Club of Kuching Central.

Throughout our club's history, we have witnessed the incredible transformations that can occur when hope is ignited. From the countless projects that was carried out when the world was shut down due to Covid-19 till now, it is this flame that fuels our passion and compels us to extend a helping hand to those who need it most. Together, we can create a ripple effect of hope, reaching far beyond our local community and leaving an indelible mark on the world.

As we embark on this new Rotary year, let us honour the traditions and values that have guided us. Our commitment to service, integrity, and fellowship remains unwavering. Staying true to the 4 way test, we celebrate the diversity and inclusiveness that defines our club, where individuals from various backgrounds come together as a force for good.

To the outgoing leadership team, led by none other than our extremely capable, President Michael Kuan, I express my heartfelt gratitude for your dedication and exemplary service. Your tireless efforts have paved the way for our continued success. It is upon the strong foundation you have built that we stand, ready to embrace the challenges and opportunities that lie ahead.

To my incoming Board Members, I look forward to working with you as the Club has entrusted us with the responsibility of carrying our club's torch of hope forward. Embrace this privilege with passion, innovation, and a steadfast commitment to our shared purpose. Together, let us explore new avenues for service, cultivate meaningful partnerships, and inspire others to join us in our mission to create hope in the world. To the many sponsors who are the key to making our community service projects possible, Thank you!

In the coming year, we may face uncertainties and obstacles, but I am confident that our collective strength and resilience will prevail. Each member of our club possesses unique talents and perspectives that, when combined, form a powerful force for change. Together, let us harness our collective abilities, pool our resources, and collaborate in ways that magnify our impact.

In closing, I express my deepest appreciation to all of you for your unwavering dedication, support, and belief in the Rotary Club of Kuching Central. It is through your commitment that we can create hope, transform lives, and make the world a better place.

May this Installation Ceremony serve as a reminder of the incredible journey we are embarking upon together. Let us infuse hope into every endeavor, nurturing a brighter future for all. With each act of service, we create ripples of hope that extend far beyond what we can imagine.

ROTARY IN BRIEF: ROTARY & POLIO

"Today, polio remains endemic only in Afghanistan and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year."

POLIO or poliomyelitis, is a paralyzing and potentially deadly infectious disease that most commonly affects children under the age of 5. People can contract the virus from one another by drinking contaminated water. The nervous system may then be attacked, which occasionally results in paralysis.

A founding participant in the Global Polio Eradication Initiative (GPEI) alongside WHO, UNICEF, the US Centres for Disease Control and Prevention, and later joined by the Bill Melinda Gates Foundation, Rotary launched its polio vaccination programme Polio Plus in 1985. Despite the fact that polio cases have

decreased by 99.9% since 1988, the disease still constitutes a Public Health Emergency of International Concern (PHEIC), and ongoing challenges to providing every kid with polio immunisations and the pandemic have increased the number of cases.

In 2020, the GPEI paused polio door-todoor campaigns for four months to protect communities from the spread of COVID-19 and contributed up to 30,000 programme staff and over \$100million in polio resources to support pandemic response in almost 50 countries.

ROTARY PLUS

The "Plus" is something else that is provided as part of the polio eradication campaign that helps improve lives. GPEI ensures populations reached for polio campaigns are also able to access much needed basic services, such as clean water, sanitation and nutrition, which reduces the rate of disease. Apart from educating others about the effects of the disease, GPEI also provides skill training programs and creates jobs that are uniquely suited to polio survivors.

Polio Plus Grants have built an infrastructure for delivering healthcare and collecting data which help build a stronger health system that provides better access to lifesaving interventions for the world's most vulnerable children.

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

Promoting peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

Fighting disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS and malaria. We improve and expand access to low-cost and free health are in developing areas.

Providing clean water, sanitation, and hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people everyday. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

Saving mothers and children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation. We expand access to quality care, so mothers and their children can live and grow stronger.

Supporting education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Growing local economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

Protecting the environment

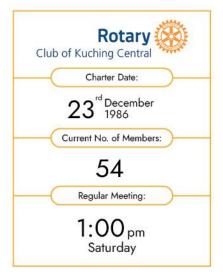

Rotary members are tackling environmental issues the way they always do: coming up with projects, using their connections to change policy and planning for the future.

INTRODUCTION TO ROTARY CLUB OF KUCHING CENTRAL

The Rotary Club of Kuching Central (RCKC) was formed on 23rd December 1986 with Chua Teck Kheng as the Chartered President for the Rotary year 1986-87. From a humble beginning with a small number of members during formation, and now 37 years down the road, the club has grown in maturity with 54 members as at June 2023, and with seven Youth Clubs under its care.

RCKC is often known as one of the more vibrant and progressive clubs that commands a great deal of respect in the community. Apart from community services and implementation of projects, the club hopes to continue maintaining its core value of promoting fellowship among its members and their families. The strength of RCKC lies on the dedicated and passionate Past Presidents and members who use their expertise for the service of mankind in Kuching and beyond. LIST OF CLUB RECOGNITIONS & AWARDS RECEIVED

Doing good in our community is the most important thing, but we are extremely grateful that our efforts have been recognised by our fellow Rotarians and Rotary International.

ummummummum

Here's the full list of awards and recognitions we received during the 32nd District 3310 Conference in Phuket. We'd like to acknowledge every single Rotarian, Rotaractors, Interactors and family members who are part of our big RCKC family. Each and everyone of you have played a major role in what we've accomplished. 32nd PAN BORNEO MEET PROJECT -REUSABLE DIAPER PACKS PROJECT

RCKC was delighted to have YB Dato Sri Hajah Fatimah Abdullah (Menteri Pembangunan Wanita, Kanak-Kanak dan Kesejahteraan Komuniti Sarawak) officially launch our 32nd Pan Borneo Meet Project, which focuses on

three of Rotary's areas of focus:

- Saving mothers and children
 Growing local economies
- Protecting the environment

The aim of the project is to provide reusable diaper packs which have been sewn and assembled by B40 sewists to low-income families and mothers with babies and toddlers in Sarawak.

This project is in collaboration with Prihatin, Yayasan Hasanah and Tanoti, where we hope the provision of these diaper packs can help ease the economic burden of approximately 3000 mothers or families in a sustainable way.

Additionally, this project will also benefit 85 home sewists residing in both urban and rural areas by providing them with a source of income from sewing the diaper packs. We aim to work closely with the local government's maternal and child hospital wards and clinics to identify the suitable beneficiaries. A total of 19 Rotary Clubs in Sarawak, Sabah and Brunei contributed RM19,000 for the seed funding of this project.

RAC Swinburne -Ending Period Poverty

21st March 2023

The Rotaract Club of Swinburne University along with RCKC representative IPP Andrea today carried out the final leg of the joint project "Ending Period Poverty Project". We were able to maximise our Covid-19 Relief Fund Grant from Rotary District 3310, by providing 80 students with two packs of day and one pack of night, all at a budget of RM2,600.

All project volunteers were given the opportunity to have a one-hour session at SMK Gedong, where 16 Rotaractors from Swinburne participated to oversee 160 form 1 students from SMK Gedong. It was definitely an unforgettable experience for both the students and rotaractors.

The session kicked off with 'My Gratitude Mirror', where students can get creative by drawing things that they love and represents them. The second activity, Body Positivity Worksheet was actually suggested by Sarawak Women For Women Society. For this activity, students had to work together in a group to promote positive body images by emphasising self-care and recognizing unhealthy thought patterns as well as unattainable beauty standards.

Great job to RAC Swinburne University for completing such a meaningful project for the rural school students.

Help The Children Project by RC Singapore

2nd - 4th September 2022

Our club would like to say thank you to the Rotary Club of Singapore for the wonderful hospitality shown to us during our trip to Malang as part of the "Help the Children 2022" project. The entire trip was so well-organised and properly planned out, which made it so enjoyable! It was amazing to be able to see the wonderful contribution RC Singapore has done for the orphans in Bakhti Luhur Orphanage, and the children in the various elementary schools in Kota Batu.

49th Installation of RC Queenstown

It was a night of great hospitality as we were warmly welcomed by members from RC Queenstown during their 49th Installation dinner. The newly installed President Hannes presented a USD \$1000 cheque to RCKC to participate in an upcoming project to be mutually agreed by both clubs.

Looking forward to working with them as we #ImagineRotary & explore ways in which we can make a difference in the lives of others!
