Fellow Rotarians, and friends of Rotary,

As I pen this message, I am filled with a deep sense of gratitude and pride reflecting on my tenure as President of the Rotary Club of Kuching Central for the Rotary Year 2023-2024. It has been an extraordinary journey, and I am honoured to have learned and served alongside such dedicated and compassionate individuals. Together, we have achieved remarkable milestones, and it is now my pleasure to pass the baton to our incoming President, Roland Phang.

Staying true to 'Service Above Self' and the Rotary Theme of "Create Hope in the World", we have demonstrated the true spirit of Rotary through our unwavering commitment to service above self. Our projects have touched countless lives, and I am immensely proud of the collective efforts that have brought about positive change in our community.

Among our notable accomplishments, the following stand out:

1. **Community Outreach:** Our Cataract Operation outings, Health Screening, and support for underprivileged families have made a tangible difference in the lives of many.
2. **Environmental Initiatives:** The successful Environmental Sustainability Campaign, including tree planting and Environmental education to our youth, has significantly contributed to our local environment.
3. **Youth Engagement:** Through our mentorship programs and collaboration with Rotaract and Interact clubs, we have inspired and empowered the next generation of leaders.

These achievements would not have been possible without the steadfast support of our members, sponsors, and partners. I

extend my heartfelt thanks to each of you for your dedication, enthusiasm, and generosity. Your contributions have been invaluable, and together, we have exemplified the Rotary motto of "Service Above Self."

In addition, I would like to extend my sincere appreciation to my Board of Directors for your hard work, dedication and passion towards Rotary, delivering the many projects and also in particular the many outings that we have had during the Rotary Year, naming a few – Macau, Japan, Malang – Indonesia, where Rotary friendships have been forged and international partnerships strengthened to ensure extended community service is made possible!

As we look ahead, I am confident that President Roland Phang will lead our club with vision, passion, and integrity. Roland has been an active and committed member of our club, and I have no doubt that his leadership will usher in a new era of growth and impact for the Rotary Club of Kuching Central.

I urge all members to extend your full support to President Roland as we continue our mission to serve our community and make a difference in the world. Let us embrace the opportunities and challenges that lie ahead with the same zeal and commitment that have defined our past successes.

In closing, I would like to express my deepest appreciation for the privilege of serving as your President. It has been a remarkable chapter in my Rotary journey, and I look forward to continuing our work together as we strive to create lasting change.

Thank you, and let us continue to deliver 'Service Above Self'.

ROTARY IN BRIEF: ROTARY & POLIO

“Today, polio remains endemic only in Afghanistan and Pakistan. But it’s crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.”

POLIO or poliomyelitis, is a paralyzing and potentially deadly infectious disease that most commonly affects children under the age of 5. People can contract the virus from one another by drinking contaminated water. The nervous system may then be attacked, which occasionally results in paralysis.

A founding participant in the Global Polio Eradication Initiative (GPEI) alongside WHO, UNICEF, the US Centres for Disease Control and Prevention, and later joined by the Bill Melinda Gates Foundation, Rotary launched its polio vaccination programme Polio Plus in 1985. Despite the fact that polio cases have decreased by 99.9% since 1988, the disease still constitutes a Public Health Emergency of International Concern (PHEIC), and ongoing challenges to providing every kid with polio immunisations and the pandemic have increased the number of cases.

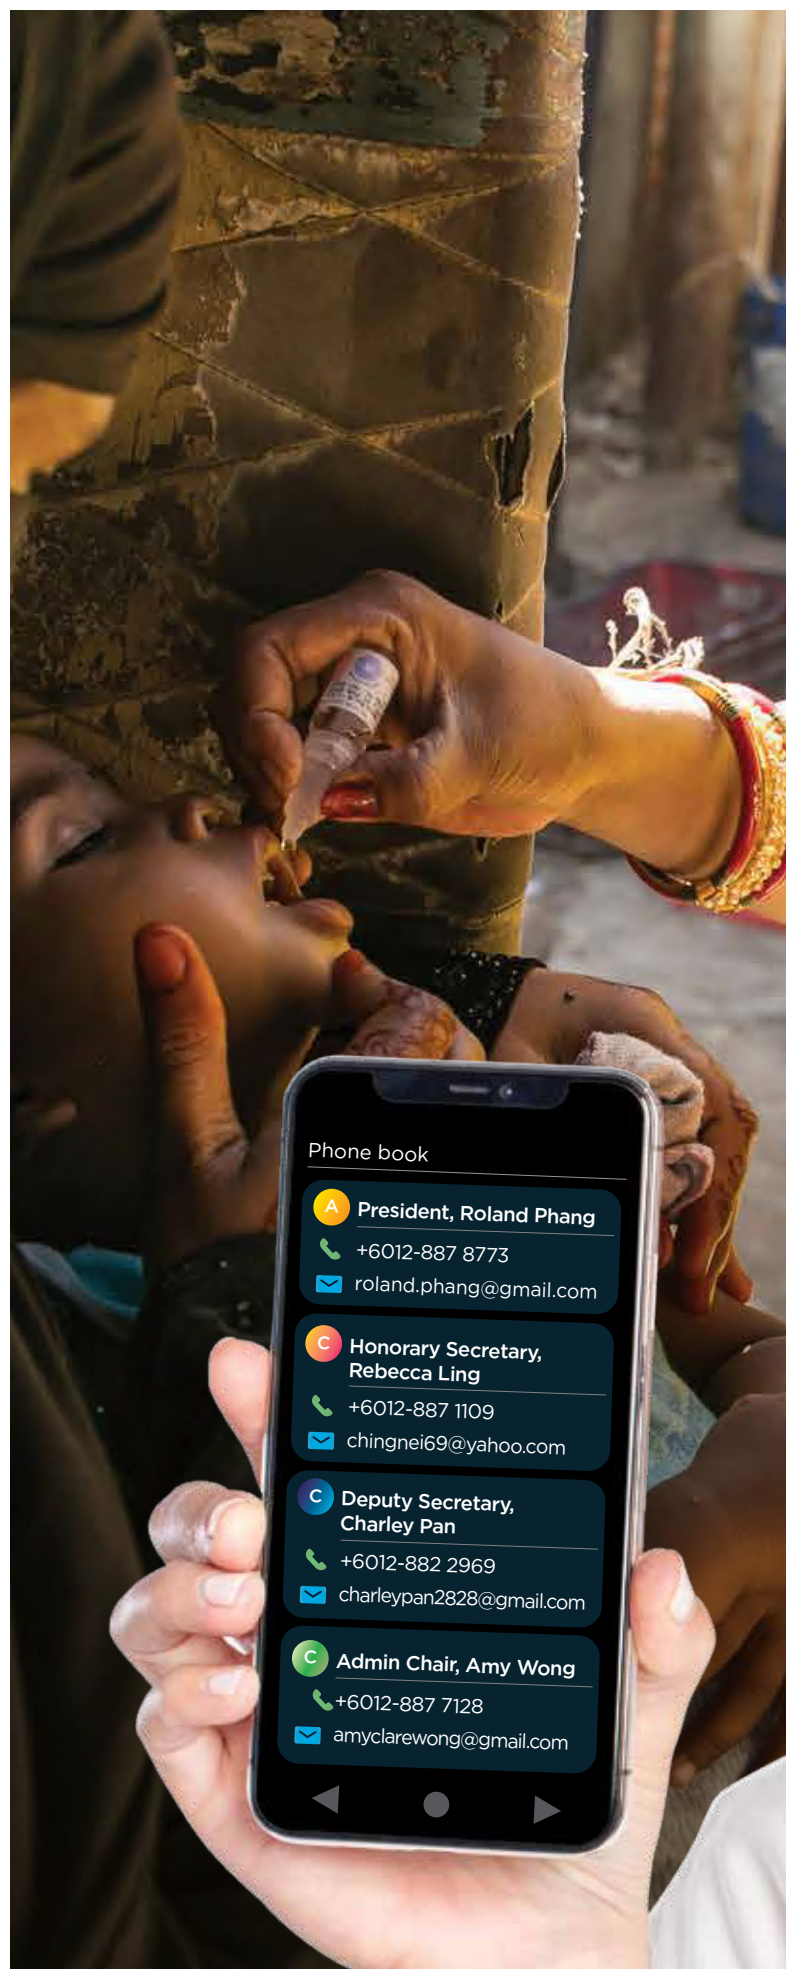

In 2020, the GPEI paused polio door-to-door campaigns for four months to protect communities from the spread of COVID-19 and contributed up to 30,000 programme staff and over \$100million in polio resources to support pandemic response in almost 50 countries.

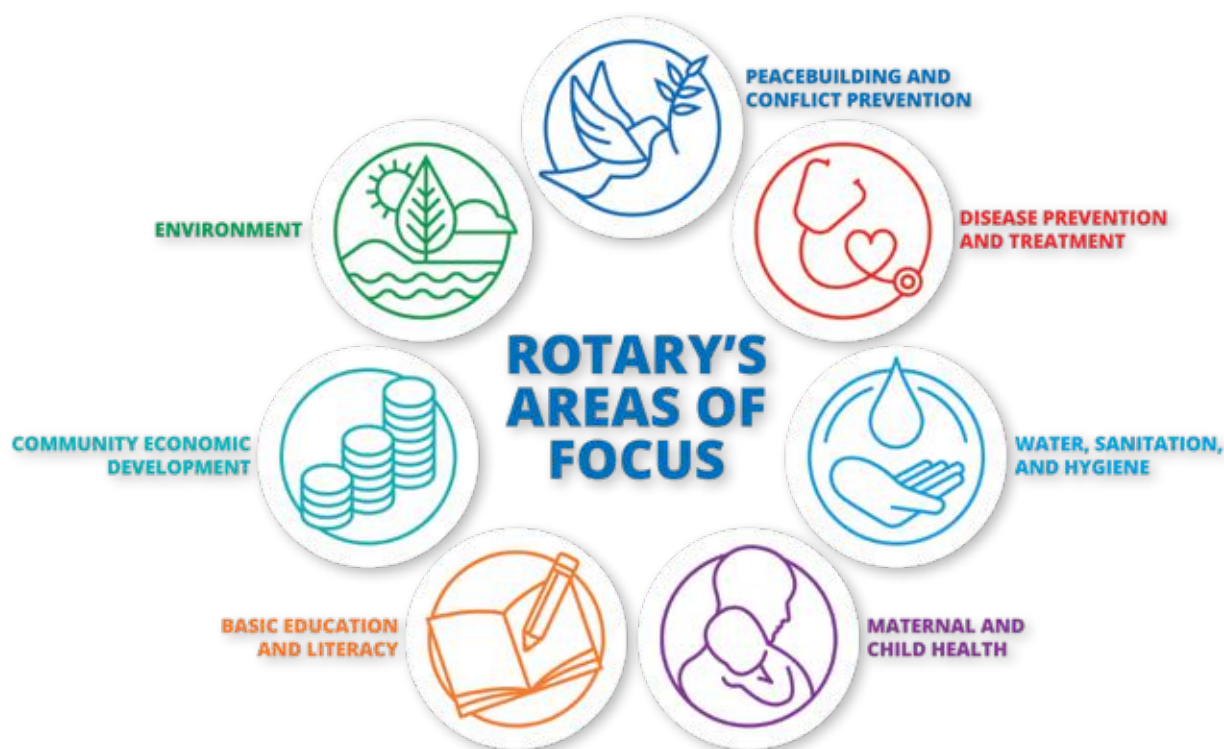

ROTARY PLUS

The “Plus” is something else that is provided as part of the polio eradication campaign that helps improve lives. GPEI ensures populations reached for polio campaigns are also able to access much needed basic services, such as clean water, sanitation and nutrition, which reduces the rate of disease. Apart from educating others about the effects of the disease, GPEI also provides skill training programs and creates jobs that are uniquely suited to polio survivors.

Polio Plus Grants have built an infrastructure for delivering healthcare and collecting data which help build a stronger health system that provides better access to lifesaving interventions for the world’s most vulnerable children.

Help us End Polio Now! To donate, visit endpolio.org/donate.

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

Promoting peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

Fighting disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS and malaria. We improve and expand access to low-cost and free health care in developing areas.

Providing clean water, sanitation, and hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people everyday. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

Saving mothers and children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation. We expand access to quality care, so mothers and their children can live and grow stronger.

Supporting education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Growing local economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

Protecting the environment

Rotary members are tackling environmental issues the way they always do: coming up with projects, using their connections to change policy and planning for the future.

The Rotary Club of Kuching Central (RCKC) was formed on 23rd December 1986 with Chua Teck Kheng as the Chartered President for the Rotary year 1986-87. From a humble beginning with a small number of members during formation, and now 37 years down the road, the club has grown in maturity with 56 members as at June 2024, and with seven Youth Clubs under its care.

RCKC is often known as one of the more vibrant and progressive clubs that commands a great deal of respect in the community. Apart from community services and implementation of projects, the club hopes to continue maintaining its core value of promoting fellowship among its members and their families. The strength of RCKC lies on the dedicated and passionate Past Presidents and members who use their expertise for the service of mankind in Kuching and beyond. The Club meets regularly twice a month.

Please contact us for more details.

The Rotary Foundation (TRF)

Founded in 1917, The Rotary Foundation ("TRF") of RI is organized as a public charity operated exclusively for charitable purposes and governed by a Board of Trustees. Its mission is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

TRF is wholly sustained by the voluntary contributions and has supported humanitarian programs across the world. As at 1st June 2020, the foundation reported to have awarded more than \$104 million in funding the grants approved for the six (6) causes of Rotary. The grant applications for the new 7th area of focus have been accepted beginning 1st July 2021.

GIFT OF SOUND PROJECT - HANDOVER OF HEARING AIDS

As part of a collaboration between Rotary Club of Kuching Central and LDS Charities, 72 Super & Ultra power hearing aids were donated to the Ear, Throat and Nose Department of Sarawak General Hospital.

The Gift of Sound Project helps to ease the waiting time for the patients to get the hearing aids as they usually have wait for months or even longer to get the chance for hearing aids. It is especially important to identify and treat any hearing issues for newborns and children in their first 3 years as this early stage is full of discovery and incredible growth. He or she learns to stand, walk and, not least, talk. If your child suffers from hearing loss, their ability to develop speech is dependent on the correct care from the very beginning.

Through meaningful collaborations such as this, RCKC hopes to be able to aid more people in need in our community.

KAA BOMBA OUTING

In late August 2023, Balai Bomba & Penyelamat Batu Lintang organized three memorable trips for students and trainees, including those from SIP, Sunshine Hub Sheltered Workshop, and EIP Group A. These visits offered 140 students/trainees an educational and exhilarating experience, highlighted by fire truck rides and sprinkling water. The event commenced with Autism Awareness Sharing sessions led by KAA representatives, including Madam Cynthia Jee, Tr Cherrie, and Tr Dino. Notably, 30 officers from Jabatan Bomba dan Penyelamat Malaysia (Sarawak) actively participated, sharing invaluable insights on fire safety and hazard prevention. The successful event received support from KAA Committee members, parents, and guardians, with Rotary Club of Kuching Central sponsoring comfortable bus rides. The trip's artwork was crafted by Daniel Eli, and a powerful quote was discovered during the visit, honoring the dedication of firefighters. Overall, it was a heartwarming and educational experience for all involved, celebrating the superheroes of our community.

KAA CHARITY FOOD FAIR

The Rotary Club of Kuching Central actively participated in the annual Autism Charity Food Fair organized by the Kuching Autistic Association (KAA) on July 16, 2023. The event took place at the Association of Churches Sarawak, Jalan Stampin.

To accomplish this, KAA operates an Education Centre that offers classes, therapies, and treatments. The funds generated from this charitable event will be utilized to cover the centre's operational expenses.

Our club successfully raised a total of RM7561. Every contribution we make brings us closer to a world where individuals with autism can unlock their full potential. We would like to express our gratitude to our generous sponsors:

- Borneo Biscuits
- Lee Fah Mee
- Pico Food Industry
- Dah Fah Manufacturing

SALVATION ARMY CHARITY SALE

HELP THE CHILDREN - MALANG

1st September 2023

In early September, members of RCKC participated in the Help the Children event in Surabaya, Indonesia, organized by RC Singapore. They visited SDN Pendem 02 elementary school, donated school supplies, and explored plans for a new healthcare center, highlighting Rotary's global service impact. The second day involved a visit to Bhakti Luhur Orphanage, where they witnessed the impact of speech and physiotherapy facilities and donated school essentials to SD Kristen YBPK elementary school, emphasizing quality education. The journey concluded with lunch at Vaswani Villa, where they thanked RC Singapore, Pak Mohan, Ibu Kawita, partner clubs, Rotarians, and participants for their collective positive impact to the local community in Surabaya.

FELLOWSHIP VISIT TO RC GUIA, MACAO

8th October 2023

A great night of fellowship with the Rotary Club of Guia and the Rotary Club of the Rotary Club of Taiwan Wen-Hwa. Despite not being able to celebrate the RC Guia's 30th Club Anniversary due to the impending typhoon, we were still able to make merry and enjoyed their warm hospitality over good food and laughter! Looking forward to future collaborations as we strive to #CreateHopeInTheWorld together

TRIP TO JAPAN WITH SISTER CLUB RC TAIPEI GOLDEN EAGLE

20th-26th March 2024

RCKC X RC GUIA

23rd May 2024

From meeting them during last year's Rotary International Convention in Melbourne, to tying the friendship knot in Kuching before departing to Singapore together for this year's Rotary International Convention in Singapore!

RC Kuching Central and RC Guia have officially signed a three-year agreement on 23rd May 2024, which will see both clubs working closely together to serve the community in various ways while fostering friendship through reciprocal club visits.

We look forward to growing the bond between the clubs through the many fellowships opportunities that lies ahead as we work together to change the lives of others in the name of Rotary!

DISTRICT TEAM TRAINING SEMINAR

2nd March 2024

PETS & DISTAS JOHOR

8th-9th March 2024

Besides being active participants of the 33rd District 3310 Conference (DISCON), RCKC members also played key roles from assisting the RI President's Special Representative, leading the partner programme, coordinating the 2 dinners, transportation, and more. While we gained more knowledge from the speakers, we also enjoyed productive discussions and wonderful fellowships with fellow Rotarians from near and far.

Rtn Pauline Pui received a special award of Most Photographs in recognition of her dedication and passion in photographing all Rotary events and projects she attended.

PP Ng Yaw Hua was also awarded the Service Above Self Award, the highest award that RI accords to individuals who contributed tremendously towards service, where only up to 150 individuals can be recognised yearly worldwide.

Additionally, the club was recognised by District Governor Dr John Chan as a Mentor Club, in recognition of the exemplary standards and inspiration, apart from setting high standards for other Clubs in District 3310. We also received the Best Community Service Project award for our Gift of Sight Project (July 2023 - January 2024).

These were achieved as a result of all who contributed in the club's many projects and activities. Here's to more great events and fellowship while we do our best to serve the community.

DISCON 2024

17th-19th May 2024

ROTARY INTERNATIONAL CONVENTION IN SINGAPORE

25th-29th May 2024

Attending the Rotary International Convention is always an exciting experience and this year was even more special since it was in Singapore, within our own District 3310. Our own PN Pauline Pui and PP Leonard Sia were part of the Opening Ceremony as a flag bearer for several countries. It was a grand spectacle with many familiar moments for us such as the lion and dragon dances, culminating in a wonderful serenade by Calum Scott.

Throughout the 5 days, our club members were kept busy participating in various plenary sessions conducted by fellow District 3310 Rotarians and more. We also made special memories through meaningful fellowships with our sister clubs RC Queenstown, RC Taipei Golden Eagle and newly added friendship club RC Guia.

The event concluded with the Closing Ceremony where the RI President Elect Stephanie Urchick and RI President Nominee Mário César Martins de Camargo gave their acceptance speeches and shared their thoughts and hopes for their respective years. The Red Hot Chili Pipers then took to the stage to get the crowd going with a rocking set before RI President Gordon R. McNally reluctantly rang the bell to bring an end to a truly memorable RI Convention.

Simply The Best!

*a catalyst
for the historic
district*

Strategically basking in the oldest charm of the city, Plaza Merdeka Shopping Centre and the 5-star Waterfront Hotel are housed in the same building. Kuching's most affluent landmarks, such as the Brooke Monument, Old Court House, and Central Post Office surround it. While India Street and Carpenter Street are just literally around the corner. The iconic DUN building is within walking distance across the Darul Hana Bridge, and not forgetting the Borneo Cultures Museum where you will find rich history of Borneo. This is the perfect neighbourhood to hunt for authentic local food, and your playground to discover quaint little cafes and pubs. Street arts worthy of insta shots and tons of other treasures are tucked away in every nook and cranny of this historic city.
