**ROTARY INTERNATIONAL PRESIDENT  
2025-2026**

**FRANCESCO AREZZO**

Cari amici,

Two weeks ago, I was in my living room playing with my grandchildren. A few days later, I was on a plane to Calgary, suddenly carrying the responsibility of leading this incredible organization. Life comes fast, but so often, it brings us exactly where we're meant to be.

We begin this year with a clear message: Unite for Good. It is a simple phrase, but a powerful one. Because behind every successful Rotary effort, every act of service, every new member welcomed, every global challenge met – there are two things that matter most: friendship and trust.

This is how we build strong clubs. It's how we create meaningful partnerships and transform global problems into local solutions. It's also how we lead—not through titles or applause, but with humility, humanity, and heart. But let me be honest with you—this kind of leadership is not always easy. We're human and yes, we make mistakes. We sometimes disagree, but in Rotary, we are called to something greater. Let us reflect on the full vision of Rotary:

*Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.*

That last part is essential, because transformation doesn't start with strategy. It starts with character and the way we treat one another. It starts with how we listen, how we support, and how we serve.

This year, I ask you to lead with that spirit. To grow Rotary through relationships. To make your clubs more welcoming, more flexible, more open to new ideas. To think big—but also to think beyond one year. Our term is short, but our impact can be lasting if we plan and act with continuity and vision.

Let us remember our key priorities: membership, polio, and peace. We are closer than ever to ending polio. We cannot stop now. We must keep the promise we made to the children of the world. And as for peace—Rotary has been building it for over a century. Every clean water system, every youth exchange, every maternal health project is a step toward peace.

I joined Rotary as a young professional, eager to help but terrified of public speaking. My fellow Rotarians believed in me and encouraged me to take on new roles, and in doing so, Rotary changed my life. It gave me courage and purpose, but above all, it gave me you: my friends, my team, my family around the world.

So now, my friends... take out your dreams tucked away in a drawer, especially those you thought were too big or bold to achieve. Let's bring them into the light. Let's **Unite for Good**—for our clubs, our communities, and our world. And let's make this a year not only of service, but of joy, of connection, and of love.

With gratitude and affection,

**FRANCESCO AREZZO**

Dear President Pauline and Club Members

Congratulations on the Installation of President Pauline and Board Members!

Rotary's greatest strength isn't just our proud history, our impactful projects, or our global reach. It's our people — a dedicated and talented network of volunteers committed to making lasting change.

As we embark on a new chapter, we are guided by a clear roadmap for growth and revitalization built upon three essential pillars: Innovation, Continuity, and Partnership. These are more than strategies — they are a call to action to renew Rotary, bring in fresh voices, and strengthen our service to communities across the globe.

The world around us is changing rapidly. Technology, societal expectations, and economic conditions evolve continuously — and Rotary must evolve with them.

Innovation means embracing these changes. It's not only about engaging younger generations but also inviting seniors who seek meaningful purpose and connection. Our future members are out there — we must go where they are and welcome them into our Rotary family.

Continuity ensures that we don't start from scratch every year. When incoming leaders build upon the work of their predecessors, momentum grows, and impact deepens. Disruptive leadership transitions can weaken our clubs, while alignment and collaboration set the stage for long-term success. Let us rise above individual agendas and focus on shared goals that transcend leadership terms.

Partnership reminds us that we are stronger together. Growing our membership isn't simply about numbers; it's about deepening our capacity to serve. Each new member brings energy, ideas, and hands to help. At the same time, we must never forget the importance of succession planning — clubs that stand still begin to fade. Vibrant clubs constantly renew themselves.

Let's make recruitment and retention a lasting priority — a shared responsibility passed from one generation of Rotarians to the next. By doing so, we ensure that Rotary remains dynamic and relevant for decades to come.

As we embrace this journey, I encourage every club to align with District 3310's Triple 3 Guide in all we plan and do:

- 3 Tools: Awareness, Knowledge, Action
- 3 Pillars: Innovation, Continuity, Partnerships
- 3 Objectives: Strengthen our Clubs, Create Lasting Change, and Uplift Our Foundation

Rotary members are people of action. We don't wait for change to happen; we make it happen. And what do people of action do? We unite for good.

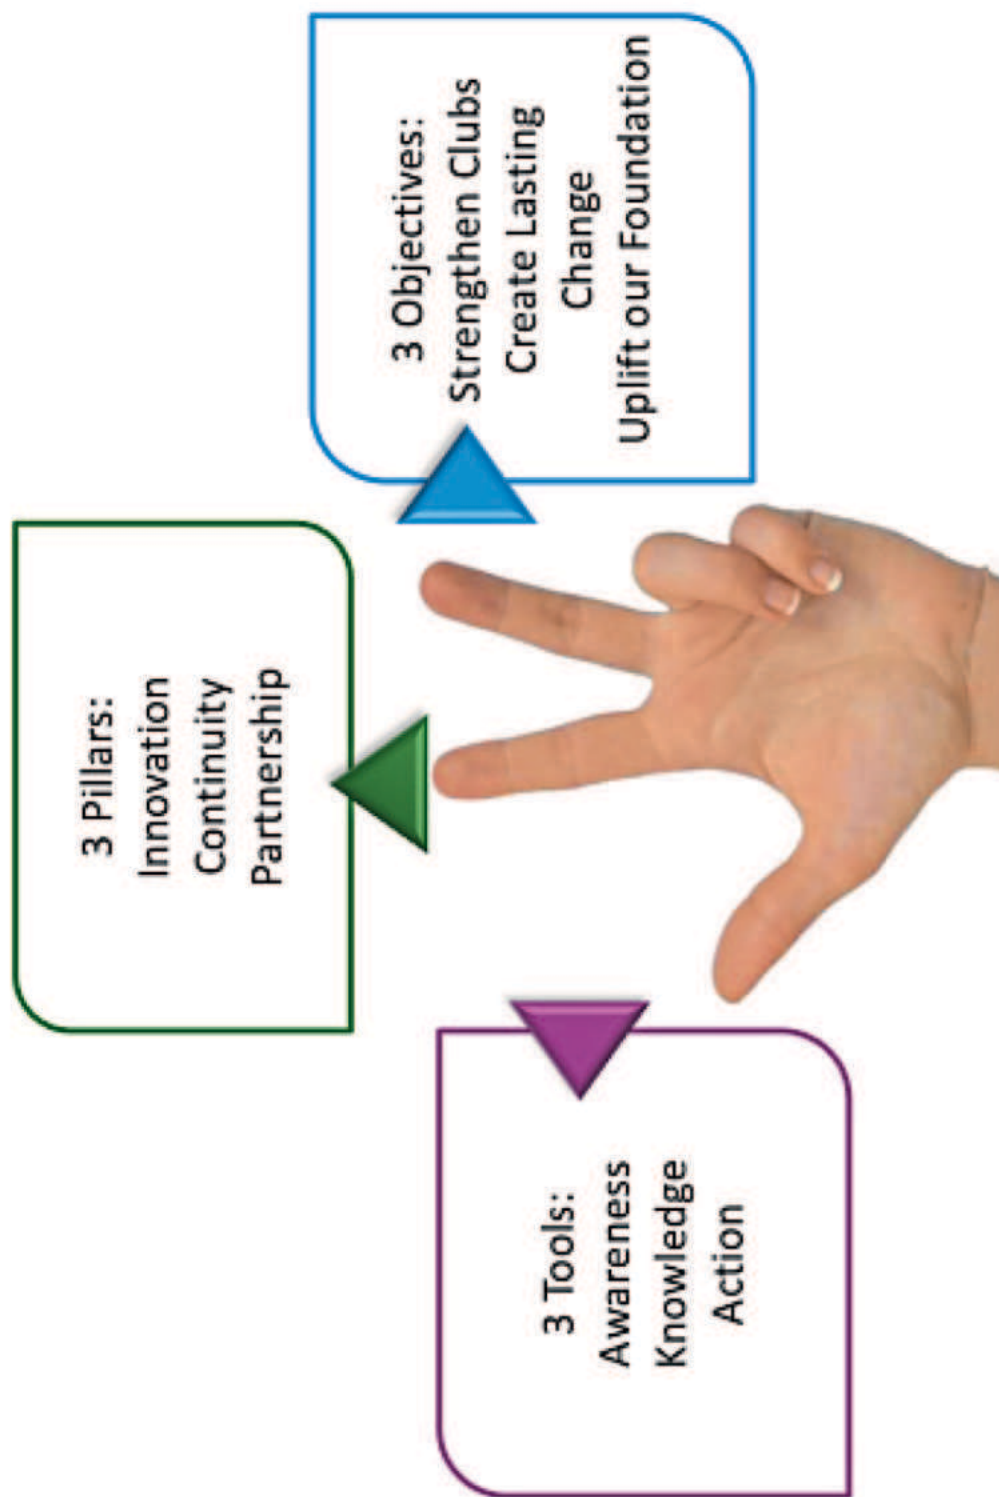

Let us move forward together in the spirit of growth, connection, and service. Let us build a Rotary that continues to unite for good — and ensures a brighter, more inclusive future for all.

Warm regards,

**DR SHAHUL HAMEED**

Celebrating 40 Years of Service, Fellowship, and Leadership

Congratulations to President Pauline Pui, the new Board of Directors, and all members of Rotary Club of Kuching Central on your 40th Installation. This milestone honors four decades of meaningful service, strong fellowship, and visionary leadership.

Your recent successes at the District 3310 Conference—including Best Avenue of Service Awards for both International and Community Service, the Best Public Image Award, and being named joint Best Club—reflect your club's excellence and impact. Thank you for your continued support of The Rotary Foundation. Under the outstanding leadership of President Roland Phang in 2024-25, the club built powerful partnerships across Malaysia, District 3310, Zone 10c and beyond, as far as Kenya. This shows the true spirit of Rotary.

This celebration also marks a new beginning. With the Rotary Action Plan as your guide, you're well-positioned to foster stronger member engagement, inspire innovation, and create lasting change. We're confident President Pauline and her team will continue this legacy with energy, purpose, and heart.

May Rotary Club of Kuching Central keep shining as a beacon of hope and service—United for Good, one act at a time.

Dear Fellow Rotarians, Honoured Guests, Partners, and Friends,

As my term as President of our esteemed Rotary Club of Kuching Central draws to a close, I stand filled with immense pride and profound gratitude. Serving as your President for the 2024-25 Rotary year has been an absolute privilege and a truly wonderful experience.

It has been my honour to lead such a prestigious and vibrant club, a club whose spirit and dedication embody the Magic of Rotary every single day. This magic wasn't just a theme; it truly captured the spirit of our club. It has been heartwarming to see the magic unfold through our activities and initiatives, all driven by the passion and dedication of every member.

The solid foundations laid by our seniors over the past 39 years have allowed us to focus on growth and further strengthening our club. This legacy has been instrumental in guiding our strategic initiatives, empowering us to build on their successes while confidently steering our club into the future. It's a testament to effective teamwork across generations.

I would like to extend my deepest gratitude to each member of our board of directors, whose unwavering dedication and vision have been the guiding stars of our club.

Special praise is due to all the committee chairs and organizing chairpersons. You are the engines that drive our projects forward. Your passion, meticulous planning, and hard work turned vision into reality. Your leadership in the projects we have completed illustrates the impact we can make through collective effort. Following are some of the projects:-

1. **Clothes of Love:** We brought comfort to the underprivileged and those affected by natural disasters through clothing donations together with Uniqlo Malaysia. Through the power of clothing, it can ease the burdens of the beneficiaries in times of financial stress, provide a sense of dignity, and bring confidence and comfort to those in need.
2. **Gift of Sight:** Our club's flagship project provided lenses for the cataract operations of those from lower income families in rural areas of Sarawak, transforming the lives of many.
3. **Heart Safe City Kuching:** A collaboration with the Rotary Club of Singapore East and Kuching South City Council, we installed AEDs in high-traffic areas, raised awareness, and offered lifesaving training. This project will continue to further enhance public health and safety by promoting cardiovascular health education and emergency preparedness.
4. **Money & Me:** A joint project with the Edge Education Foundation to empower our youth with financial literacy by teaching them to save, earn, spend, grow, and most importantly to cultivate the spirit of giving.
5. **Environmental Conservation:** Partnered with all Rotary clubs in Kuching to plant over 800 trees, strengthening our commitment to preserving our environment.
6. **Flood Disaster Relief for Serian Division:** Offering immediate distribution of 516 Mattresses and 1,032 pillows to families whose houses were submerged under water, aiding their recovery process. Clothing, sanitary pads and induction stoves were also donated to help reduce their economic burden.

7. **Clean Water Project:** Delivered clean water to several rural schools in Lundu, enhancing health and learning conditions together with the Malaysian Church of Jesus Christ of Latter-day Saints and Safewater Asia Sdn Bhd.

These impactful initiatives, and the collective spirit behind them, led to our club being recognized as one of the Best Rotary Clubs in District 3310, alongside numerous other prestigious awards at the recently concluded District Conference in Bali. This is a testament to our members' dedication and the power of our united service.

I extend my heartfelt gratitude beyond our members to include those who stand by our side. To our supportive spouses and families, your understanding, encouragement, and behind-the-scenes sacrifices are the true unsung heroes of our achievements. Thank you for sharing your Rotarians with us.

A special shoutout to our new fellowship activity, the pickleball sessions. Not only have we been able to welcome new members through these riveting matches, but there's also a noticeable spring in our step. I dare say, we've outmaneuvered more calories than opponents, and I suspect our average weight is dropping faster than my pickleball serve! Thank you all for your support, and may our collective laughter be as plentiful as our victories on the court.

To our esteemed sister clubs and partner clubs, your collaboration has significantly amplified our reach and impact. Your fellowship and shared vision are invaluable. Lastly, to our generous sponsors and donors, your unwavering belief in our mission and crucial financial support have turned our life-changing projects into reality. We are profoundly thankful for your trust and partnership.

As I pass the gavel, I do so with the utmost confidence in our incoming President, Pauline Pui. Pauline, I wish you all the very best as you lead our club into the 2025-26 Rotary year. I know your passion, energy, and vision will guide us to even greater heights. I am excited to see how you embrace the inspiring new Rotary message - Unite for Good, fostering even stronger collaborations for lasting change.

Finally, THANK YOU - to each and every one of you - for the incredible honour of serving as your President. This year has been a journey of immense personal growth, filled with experiences and cherished memories that I will carry with me forever. Serving the Rotary Club of Kuching Central has been a highlight of my Rotary life.

It has been magical. Thank you for the opportunity.

With warmest regards and enduring Rotary Spirit,

It is truly an honour and a humbling journey to step into this role as the 40th President of the Rotary Club of Kuching Central, especially when I reflect on how it all began, simply as a supportive Rotary spouse. Never did I imagine that one day I would also be entrusted with leading this remarkable club that has shaped so many lives, including mine.

First, I would like to extend my heartfelt congratulations to our Outgoing President Roland and his team for an outstanding year of service. Under his leadership, our club not only achieved remarkable milestones, but also strengthened its foundation of fellowship, commitment and impact.

Looking ahead, I am honoured to lead our club under the Rotary theme "Unite for Good." This theme reflects the power of collaboration, unity and service with purpose. To guide our journey, I have adopted the Triple 3 Guide created by District Governor Dr. Shahul Hameed — a leadership framework grounded in:

- Three Pillars: Continuity, Innovation and Partnership
- Three Objectives: Grow Membership, Increase Engagement and Strengthen Impact
- Three Tools: Communication, Collaboration and Celebration

With this guide, we are to build on the strength of our club while embracing new opportunities for growth and service. In the year ahead, our priorities include:

1. **Strengthening Membership and Fellowship**  
We aim to grow our membership and continue cultivating an inclusive Rotary family culture, where everyone feels a strong sense of belonging and purpose.
2. **Expanding Meaningful and Sustainable Projects**  
We will continue our signature projects such as Gift of Sight and introduce new initiatives that bring lasting value to our communities.

3. **Promoting Rotary Learning and Innovation**

By dedicating regular meetings to Rotary education and encouraging creative service ideas, we will nurture leadership and deepen our impact.

I wish to extend my warmest congratulations to the newly appointed Board of Directors, Avenue Chairs and Deputy Chairs for courageously taking up this responsibility alongside me. Your commitment and leadership are vital as we work together to bring our goals to fruition. With all the support, I believe RC Kuching Central will have another strong and prosperous year — one marked by unity, compassion and positive change. Let us stand together, work together, and unite for good.

Many thanks to our Installation Organising Chair PE Charley Pan and her committee for their hard work in making this evening a most memorable one. Thank you also to all generous sponsors and friends of Rotary for their support of our installation and projects for the community. I would also like to express my gratitude to all my Rotary friends for taking the time out of your busy schedules to be here to witness this milestone in my life.

Lastly, I would like to sincerely thank my husband and family for their unwavering support in every way. Your love, encouragement and understanding give me the strength to serve wholeheartedly.

Yours in Rotary,

# ROTARY IN BRIEF: ROTARY & POLIO

*“Today, polio remains endemic only in Afghanistan and Pakistan. But it’s crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.”*

POLIO or poliomyelitis, is a paralyzing and potentially deadly infectious disease that most commonly affects children under the age of 5. People can contract the virus from one another by drinking contaminated water. The nervous system may then be attacked, which occasionally results in paralysis.

A founding participant in the Global Polio Eradication Initiative (GPEI) alongside WHO, UNICEF, the US Centres for Disease Control and Prevention, and later joined by the Bill Melinda Gates Foundation, Rotary launched its polio vaccination programme Polio Plus in 1985. Despite the fact that polio cases have decreased by 99.9% since 1988, the disease still constitutes a Public Health Emergency of International Concern (PHEIC), and ongoing challenges to providing every kid with polio immunisations and the pandemic have increased the number of cases.

In 2020, the GPEI paused polio door-to-door campaigns for four months to protect communities from the spread of COVID-19 and contributed up to 30,000 programme staff and over \$100million in polio resources to support pandemic response in almost 50 countries.

## ROTARY PLUS

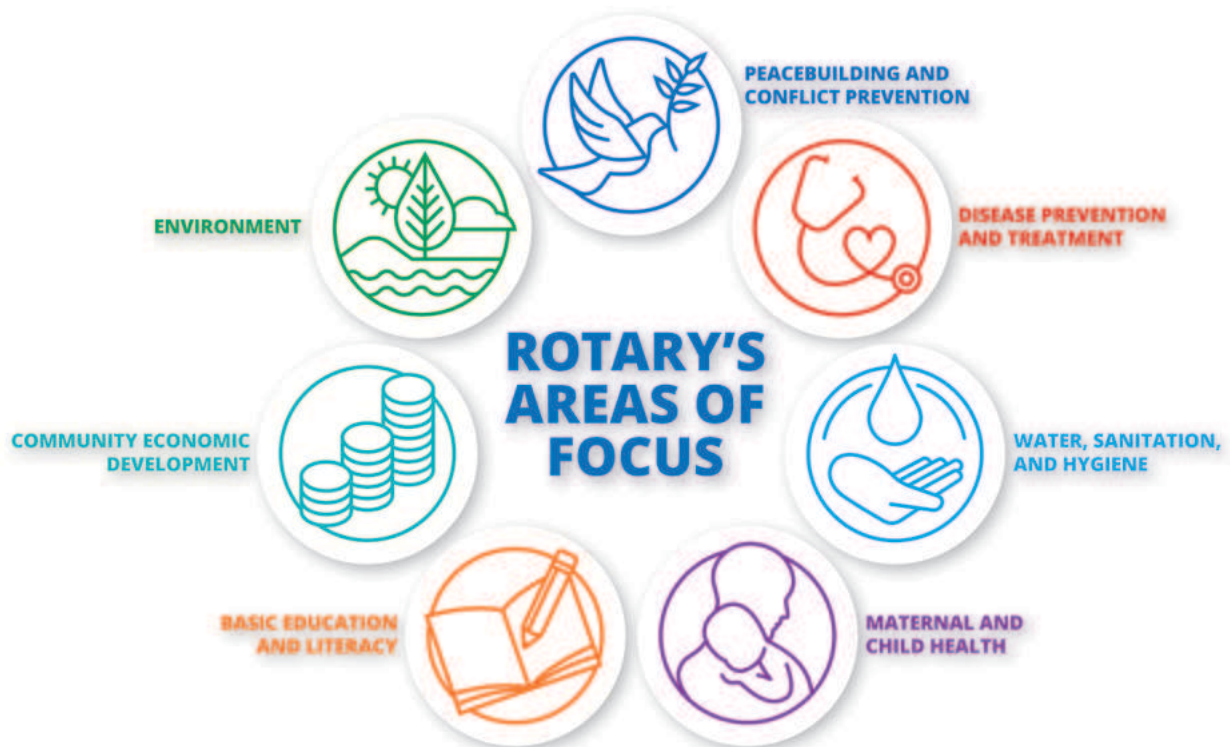

The “Plus” is something else that is provided as part of the polio eradication campaign that helps improve lives. GPEI ensures populations reached for polio campaigns are also able to access much needed basic services, such as clean water, sanitation and nutrition, which reduces the rate of disease. Apart from educating others about the effects of the disease, GPEI also provides skill training programs and creates jobs that are uniquely suited to polio survivors.

Polio Plus Grants have built an infrastructure for delivering healthcare and collecting data which help build a stronger health system that provides better access to lifesaving interventions for the world’s most vulnerable children.

Help us End Polio Now! To donate, visit [endpolio.org/donate](http://endpolio.org/donate).

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

#### Promoting peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

#### Fighting disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS and malaria. We improve and expand access to low-cost and free health care in developing areas.

#### Providing clean water, sanitation, and hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people everyday. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

#### Saving mothers and children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation. We expand access to quality care, so mothers and their children can live and grow stronger.

#### Supporting education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

#### Growing local economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

#### Protecting the environment

Rotary members are tackling environmental issues the way they always do: coming up with projects, using their connections to change policy and planning for the future.

# INTRODUCTION TO ROTARY CLUB OF KUCHING CENTRAL

The Rotary Club of Kuching Central (RCKC) was formed on 23<sup>rd</sup> December 1986 with Chua Teck Kheng as the Chartered President for the Rotary year 1986-87. From a humble beginning with a small number of members during formation, and now 39 years down the road, the club has grown in maturity with 60 members as of June 2025, and with five youth clubs under its care.

RCKC is often known as one of the more vibrant and progressive clubs that commands a great deal of respect in the community. Apart from community services and implementation of projects, the club hopes to continue maintaining its core value of promoting fellowship among its members and their families. The strength of RCKC lies on the dedicated and passionate Past Presidents and members who use their expertise for the service of mankind in Kuching and beyond. The Club meets regularly twice a month.

Please contact us for more details.

INTERACT CLUB OF SM LODGE

## Gift of Sight

In this Rotary year, a total of 225 free cataract operations under the club's signature project 'Gift of Sight' were carried out for the lower-income beneficiaries in Sri Aman, Simunjan, Bau, Serian and Lundu. This saw the club working together with the Malaysian Church of Jesus Christ of Latter-day Saints to provide the required intraocular lenses for the beneficiaries, identified through the preliminary screenings at the various district hospitals. Besides showing support for the patients waiting for their turn, club members also distributed food parcels courtesy of PP Frankie Ong and Borneo Biscuits Factory.

The club also collaborated with the Ophthalmology department of the Sarawak General Hospital for the World Sight Day 2024 event at the Bau District Hospital. In addition to the cataract operations then, eye and health screenings, children's colouring contest, as well as various awareness talks were held to further spread awareness of the importance of eye health amongst the general population, especially for the children in line with this year's theme 'Eyes for the Future'.

The club hopes to continue alleviating Sarawak's backlog of patients in need of cataract outings as we believe that no one should lose their sight due to cataract because of money.

## Gift of Education | 12 October 2024

The Rotary Club of Kuching Central had the privilege of donating STEM educational materials to three primary schools in need. The schools benefiting from this initiative were SJK(C) Sungai Apong, SK Sungai Stutong, and SK Pangkalan Kuap. This project was made possible through a collaboration with UiTM and the generous support of their sponsor, TnJ Engineering. As part of the effort, UiTM also provided training for teachers on how to effectively use the new materials and assessed their impact. The pre and post-test results showed significant improvement in the students' STEM scores, clearly demonstrating how the students' learning experience was enhanced.

It is hoped that their performance will continue to grow positively. RCKC remains committed to supporting education and literacy, and this project is just one of many similar initiatives the club plans to pursue in the future.

## Save Trees Save Life | 26 October 2024

On 26th October 2024, the "Save Trees, Save Life" program took place, led by RC Kuching Jaya and joined by all Rotary Clubs in Kuching. The event garnered 200 participants, with District Governor Dr. Yap Lip Kee as the guest of honour. Collaborating with the Rotaract Club of Swinburne Sarawak, Rotaract Club of Segi, Rotaract Club of UNIMAS, and the Interact Clubs of SMK Bandar Kuching No.1 and St Teresa, the group succeeded in planting 900 trees at the Sabal Forest Reserve.

This initiative was a powerful example of community teamwork, contributing to environmental conservation and raising awareness about the importance of protecting green spaces. The success of the event reflects our ongoing commitment in promoting sustainability and combating climate change.

## CSSC - Uniqlo Clothes of Love | 13 July 2024

The Clothes of Love distribution was organised in collaboration with Uniqlo Malaysia at the Kuching Community Social Support Centre (CSSC). Approximately 120 beneficiaries from the urban poor, identified by CSSC, selected clothing for themselves or their families, with assistance from 32 volunteers from RCKC, Uniqlo, CSSC, and the Sarawak CSO-SDG Alliance. Each beneficiary also received a food parcel.

The clothes, donated through Uniqlo's RE.Uniqlo programme, were sorted and packed by Uniqlo staff and RCKC members. The initiative aimed to ease the recipients' burdens and promote sustainable clothing reuse. RCKC looks forward to more future collaborations with Uniqlo.

A special thank you to Uniqlo, CSSC, the Sarawak CSO-SDG Alliance, Borneo Biscuits Factory, and all others who supported the project.

## RCKC x Uniqlo 'Clothes of Love' Project at Kampung Mapu Tatu | 16 Nov 2024

In a festive edition of the RCKC x Uniqlo Clothes of Love project, President Roland and club members handed over more than 40 boxes of pre-loved clothing to Kampung Mapu Tantu, a village located in Tebedu, Serian, near the Indonesian border, with around 500 residents. Before the handover, members first gathered at Organising Chair Rtn Amy's office to sort and repack the clothing donated by Uniqlo Malaysia.

Upon their arrival at Kampung Mapu Tantu, the members were warmly greeted by the residents. President Roland delivered a speech in fluent Bahasa Malaysia, explaining the project, while the symbolic handover was witnessed by YB Martin Ben. The event was followed by a feast of local delicacies, home cooked by the villagers and catered by the club. In true Sarawakian festive style, the celebration continued with dancing and fun for all.

RCKC hopes that their small efforts bring joy to the villagers and that the clothes can help ease some of their economic burden and give them confidence.

## Uniqlo Clothes of Love for SOS Kids | 13 & 15 Dec 2024

To spread the Magic of Rotary this festive season, the RCKC x Uniqlo Clothes of Love project partnered with SOS Kids, benefiting 87 critically ill children and their families. RCKC members personally delivered donated items and learned about the families' situations.

Uniqlo Malaysia donated 325 pieces of brand new Airism clothing as part of their 'Heart of LifeWear' initiative and 100 sets of coloring pencils, while DHL assisted with the shipping. Our RCKC family raised a total of RM6350 to purchase a portable suction machine for SOS Kids and 87 food sets from the children's wish list. PP Frankie Ong and Rtn Philip Au Yong also contributed biscuits and noodles. In addition, Rotarians wrote festive postcards to include with the gifts.

Thanks to everyone who contributed, and to President Alaric of the Rotary Club of KL DiRaja for coordinating the shipment. We hope others are inspired to share their joy with those in need, especially during festive seasons.

## Borneo Flood Relief – Serian Division | 19 February 2025

In response to the devastating floods in Serian Division, the Rotary Club of Kuching Central, Rotary Club of Kuching, Malaysian Church of Jesus Christ of Latter-day Saints, and Rotaract Clubs of Swinburne Sarawak and SEGi Sarawak launched the 'Borneo Flood Relief – Serian Division, Sarawak' project.

After a survey and discussions with President Roland of RCKC, local authorities, and villagers, it was identified that mattresses and pillows were urgently needed. With support from Rotary clubs in District 3310, the initiative provided 516 mattresses and 1,032 pillows to affected families, in addition to the 100 boxes of clothing from Uniqlo Malaysia, 20 boxes of sanitary pads, and portable cooking stoves distributed in the first week.

A symbolic handover of the items took place at the Service Sarawak Centre in Serian, with the distribution at the respective villages carried out later. Led by Organising Chair Rtn Sharon Chua of RCKC, this collaborative effort highlights the strength of community support in times of crisis.

## Rotary Hydrates for Education | 27 February 2025

The "Rotary Hydrates for Education" project was carried out in collaboration with the Rotary Club of Taipei Golden Eagle, Taiwan, and the Rotary Club of Queenstown, Singapore. The initiative involved the donation of a concrete plinth and the transportation of two 25,000-liter water tanks from SK Jangkar to SK Kendaie in Lundu.

This project, launched during IPP Calvin's term and completed in the current Rotary year, addresses the critical water shortages faced by SK Kendaie during the dry season. The new water tanks will ensure a reliable water supply, improving the learning environment for the students.

Special thanks go to all the partners and contributors, particularly Safewater Asia Sdn Bhd, for their generosity in providing the installation and piping works free of charge. This collaborative effort highlights the true spirit of Rotary and the power of community teamwork in creating positive change.

## Clean Water Filtration System project | 9 April 2025

The Rotary Club of Kuching Central handed over clean water systems for 10 primary schools in the Lundu area, benefiting over 1200 students and staff. This Clean Water Filtration System project was a collaboration with the Malaysian Church of Jesus Christ of Latter-day Saints and Safewater Asia Sdn Bhd. A simple handover for all schools was conducted at SK Holy Name.

The systems provided are simple to use and maintain, and would provide the school and students a reliable source of clean water up to several years while waiting for a longer-term solution from the government. This would help to alleviate the beneficiaries' and their parents' concerns about water-borne diseases and their children's health. This could also help reduce the burden on the local water system.

Water, sanitation and health remains one of RCKC's areas of focus and we look to carry out more meaningful projects like these through the Magic of Rotary.

## RCKC's Joint Project with Friendship Club RC Guia of District 3450 | 12 March 2025

As part of RCKC's joint project with their Friendship club RC Guia of District 3450, 20 sets of benches were donated to Klinik Kesihatan Tebakang. This would provide seating for 80 patients and visitors, bringing them some needed comfort and accessibility as they wait their turn at the clinic, which is 1 hour outside of Kuching and only recently completed its renovations.

A simple handover was carried out with President Roland, PE Pauline, and Organising Chair Rtn Amy in attendance with staff from the clinic. This project is part of our reciprocal agreement with RC Guia to strengthen our bonds of friendship while making a meaningful impact on the local community.

It is hoped that this will lead to many more joint events together in the spirit of international friendship and cooperation through the Magic of Rotary.

## Heart Safe Kuching Launch | 3 Dec 2024

On 3 December 2024, the Rotary Club of Kuching Central (RCKC), the Rotary Club of Singapore East (RCSE), and the Kuching South City Council (MBKS) officially launched the "Heart Safe City Kuching" initiative to enhance public health and safety. A Memorandum of Understanding (MoU) was signed this morning, officiated by Deputy Premier YB Datuk Amar Dr. Sim Kui Hian, marking the start of a pilot project aimed at improving cardiovascular emergency preparedness.

The first Automated External Defibrillator (AED) was installed at the Friendship Park while the other four would be installed at high-traffic locations, including Stutong Market, Kenyalang Market, MBKS Headquarters, and the Indoor Stadium. These devices are vital during cardiac emergencies and aim to save lives.

RCKC, supported by RCSE, has procured and donated the AEDs, while MBKS oversees approvals, installation, and maintenance. Public workshops and awareness campaigns will promote emergency readiness.

This pilot is the first step towards a broader vision to expand AED coverage citywide, ensuring greater access to life-saving resources for Kuching residents. RCKC extends its gratitude to the Mayor of Kuching South, YBhg Datuk Wee Hong Seng, for his unwavering support in making this initiative a reality.

## Heart Safe Kuching - Completion of First Phase | 23 April 2025

The Rotary Club of Kuching Central (RCKC) has successfully completed the first phase of the Heart Safe City Kuching initiative, in collaboration with the Rotary Club of Singapore East (RCSE) and the Kuching South City Council (MBKS). This phase saw the installation of Automated External Defibrillators (AEDs) at five high-traffic public locations: Stutong Market, Taman Sahabat, Kenyalang Park Market, MBKS Sports Hall, and MBKS Building.

The event, held at Stutong Market, featured Organising Chair Rtn Delia, who outlined the objectives of the joint project. Kuching South Mayor Datuk Wee Hong Seng expressed gratitude to RCKC and RCSE for their initiative, emphasizing the importance of proper AED usage and first aid techniques. He highlighted that the accessibility of these devices could be life-saving during emergencies.

Moving forward, the project will next focus on training relevant personnel at these locations, as well as interested members of the public, on the correct usage of AEDs and basic life-saving techniques. RCKC is also exploring ways to further enhance the Heart Safe Initiative to benefit more members of the community.

President Roland and OC Rtn Delia led members of the RCKC family to join a 2-day training workshop to master essential first aid, CPR and AED usage skills.

## COMMUNITY SERVICE

### ■ KUCHING AUTISTIC ASSOCIATION (KAA) SALE 14 JULY 2024

In July, the Rotary Club of Kuching Central (RCKC) rallied together to participate in the annual Kuching Autistic Association (KAA) fundraising food fair. Members of the club contributed by selling popular Khong Guan biscuits and trays of eggs, raising a total of RM5,510 to support KAA's mission in providing care and services for individuals with autism in the local community.

This effort showcased the spirit of teamwork as RCKC members, along with their families and local supporters, dedicated their time and energy to a worthy cause. The event emphasized the club's commitment to supporting autism awareness and care in Kuching, demonstrating the power of community involvement.

Thanks go out to all Rotarians, their families, and supporters for their time and dedication on a fulfilling Sunday morning.

### ■ 916 CHARITY FAIR FOR PERSATUAN OKU (HOUSE OF JOY) 16 SEPTEMBER 2024

Rotarians and family members woke up bright and early on Malaysia Day to participate in the 916 Charity Fair to raise funds for Persatuan OKU (House of Joy). Over RM3000 was raised through the sales of Khong Guan biscuits, thanks to the support of Borneo Biscuit Factory.

### ■ KUCHING ROTARY CLUBS JOINT PROJECT 21 MARCH 2025

RCKC joined the other clubs in Kuching on a joint project to refurbish the baking and cooking room of SM Min Lit Batu Kawa, Kuching. The room serves to provide the students with an avenue to learn useful vocational and life skills which could hopefully help them in life, or even as a potential future career path. These students from the only private Chinese secondary school in the Padawan area have weekly sessions to learn how to bake and cook. During the simple handover ceremony, we were able to sample some of their portuguese egg tarts.

The 6 clubs raised approximately RM31,000 for kitchen equipment such as ovens, chiller, steel kitchen tables, induction cookers and more which can be seen from the video below. It was truly heartwarming to hear the thoughts of their teacher-in-charge who thanked the Rotary clubs for helping with her wish for these students to be able to learn more through these improved facilities, as many of them tend to be weaker in traditional academics.

Thanks to RC Kuching South for taking the lead and sharing their relevant vocational experience for this project. It was through the Magic of Rotary that we were all able to work together to help the students of this school.

The event featured presentations on each club's legacy and recent efforts, followed by productive discussions on potential joint ventures in youth leadership, healthcare, and cultural exchange. Members from both clubs also enjoyed fellowship over traditional local cuisine, strengthening bonds and reinforcing their shared commitment to Rotary's motto of "Service Above Self."

This partnership promises a dynamic collaboration between the two clubs, with the shared vision of creating lasting impact in communities across Malaysia.

## SMILE CAMBODIA

The Rotary Club of Kuching Central proudly participated in the successful Kampot Surgical Mission 2025, which was the 14th such initiative and concluded on 3rd May 2025. Over the course of three days, 45 patients were screened and 30 received life-changing surgeries, thanks to the tireless efforts of dedicated medical teams and volunteers.

The mission was officiated by H.E. Dr. You Sokun, Director of the Kampot Provincial Health Department, and was officially closed by H.E. Shaharuddin Onn, Ambassador of Malaysia to Cambodia, alongside H.E. Madam Zuraini Khalil, both of whom visited the site to show their support and encouragement.

This impactful project was made possible through the collaboration of several Rotary Clubs, including Rotary Club of Kuching Central, Rotary Club of Likas Bay Kota Kinabalu, Rotary Club of LuChou Taiwan, Rotary Club of Senawang, and Rotary Club of Penang.

# UNIQLO MALAYSIA'S 'THE HEART OF LIFEWEAR' (KL)

9 Jan 2025

On January 9, 2025, President Roland Phang led the Rotary Club of Kuching Central (RCKC) to participate in Uniqlo Malaysia's 'The Heart of LifeWear' initiative. This campaign saw the donation of 15,034 clothing items to underprivileged communities, including refugees, women affected by domestic violence, and B40 families. RCKC was honored to be a project partner, distributing Airism clothing to critically ill children under the SOS Kids program, along with daily necessities and Christmas wishlist items for them and their families.

Over the past eight years, RCKC has collaborated with Uniqlo on various meaningful projects, benefiting kampungs outside Kuching, fire victims, and the urban poor. This partnership has highlighted the power of clothing to ease burdens, provide dignity, and bring comfort to those in need.

RCKC extends its gratitude to the Uniqlo Malaysia team for the invitation to share, and looks forward to more meaningful projects to benefit the local community. Together, we can transform lives one garment at a time and share the Magic of Rotary with even more people.

## A Home Away From Home

Strategically basking in the oldest charm of the city, Plaza Merdeka Shopping Centre and the **5-star Waterfront Hotel** are housed in the same building. Kuching's most affluent landmarks, such as the brooke monument, Old Court House, and Central Post Office surround it. While India Street and Carpenter Street are just literally around the corner. The Iconic DUN building is within walking distance across the Darul Hana Bridge, and not forgetting the Borneo Cultures Museum where you will find rich history of Borneo. This is the perfect neighbourhood to hunt for authentic local food, and your playground to discover quaint little cafes and pubs. Street arts worthy of insta shots and tons of other treasures are tucked away in every nook and cranny of this historic city.
